Attn: Mr. Lawrence M L Tsui, Principal Manager, Environmental Compliance

31 March 2021

Dear Sir,

Contract No. 3102
3RS Independent Environmental Checker Consultancy Services

Management Organizations

Reference is made to the ET's submission of updated Management Organizations under Condition 2.4 of the Environmental Permit No. EP-489/2014 certified by the ET Leader on 30 March 2021.

We would like to inform you that we have no comment on the captioned submission. Therefore we write to verify the captioned submission in accordance with the requirement stipulated in Condition 2.4 of EP-489/2014.

Should you have any query, please feel free to contact the undersigned at 3922 9376.

Yours faithfully,
AECOM Asia Co. Ltd.

1 Introduction

The Environmental Impact Assessment (EIA) Report (Register No.: AEIAR-185/2014) prepared for the “Expansion of Hong Kong International Airport into a Three-Runway System” (the Project) has been approved by the Director of Environmental Protection, and an Environmental Permit (EP) (Permit No.: EP-489/2014) has been issued for the project under the Environmental Impact Assessment Ordinance.

The purpose of this updated Management Organizations is to provide the latest information based on the recent contracts awarded under this project. This updated Management Organizations includes the following information:

- a) the management organization of the main construction companies and/or any form of joint ventures associated with the construction of the Project (in Section 2);
- b) the management organization of the Environmental Team (ET) (in Section 3);
- c) the management organization of the Independent Environmental Checker (IEC) and his team (in Section 4); and
- d) organization charts, names of responsible persons and their contact details.

2 Management Organization of the Main Construction Companies

2.1 Advanced Works Contract

Langfang Huayuan Mechanical and Electrical Engineering Co., Ltd. (Contract P560(R)) is the contractor appointed to undertake the diversion of the existing submarine aviation fuel pipelines.

Construction works of Contract P560(R) have been completed.

2.2 Deep Cement Mixing (DCM) Works Contracts

Penta-Ocean-China State-Dong-Ah Joint Venture (Contract 3201), Samsung-Build King Joint Venture (Contract 3202), Sambo E&C Co., Ltd. (Contract 3203), China Road and Bridge-Sambo Joint Venture (Contract 3204) and Bachy Soletanche-Sambo Joint Venture (Contract 3205) are the contractors appointed to undertake the DCM ground improvement works.

Construction works of Contracts 3201, 3202, 3203, 3204, and 3205 have been completed.

2.3 Main Reclamation Works Contract

Zhen Hua Engineering Company Ltd.-China Communications Construction Company Ltd.-CCCC Dredging (Group) Company Ltd. (ZHEC-CCCC-CDC) Joint Venture (Contract 3206) is the contractor appointed to undertake the main reclamation works.

Names of the responsible persons and their contact details are set out in **Table 1** below.

2.4 Airfield Works Contracts

Fujita Corporation-China Harbour Engineering Company Ltd.-Zhen Hua Engineering Company Ltd. (FJT-CHEC-ZHEC) Joint Venture (Contract 3301) is the contractor appointed to undertake the construction works for the north runway crossover taxiway.

China Road and Bridge Corporation (Contract 3302) is the contractor appointed to undertake advance works for the eastern vehicular tunnel.

Sinohydro Corporation Limited, Powerchina Airport Construction Company Limited, Paul Y. Construction Company Limited, and Rock-One Engineering Company Limited (SAPR) Joint Venture (Contract 3303) is the contractor appointed to undertake the construction works for the new runway, taxiways, and associated works.

Paul Y. Construction Company Limited (Contract 3307) is the contractor appointed to undertake the construction works for the fire training facility on the new reclamation area.

Names of the responsible persons and their contact details are set out in **Table 1** below.

2.5 Third Runway Concourse and Integrated Airport Centres Works Contract

Wing Hing Construction Co., Ltd. (Contract 3402) is the contractor appointed to undertake enabling works for the new Integrated Airport Centres.

Sun Fook Kong Construction Limited (Contract 3403) is the contractor appointed to undertake building and civil works for the new Integrated Airport Centres.

China Road and Bridge Corporation – Bachy Soletanche Group Limited – LT Sambo Co., Ltd Joint Venture (Contract 3405) is the contractor appointed to undertake foundation and substructure works for the Third Runway Concourse.

Beijing Urban Construction Group Company Limited and Chevalier (Construction) Company Limited (BUCG-CCCL) Joint Venture (Contract 3408) is the contractor appointed to undertake the construction works for the Third Runway Concourse, taxiways, specified sections of Eastern Vehicular Tunnel and associated works.

Names of the responsible persons and their contact details are set out in **Table 1** below.

2.6 Terminal 2 Expansion Works Contracts

Build King Construction Ltd. (Contract 3501) is the contractor appointed to undertake the construction works for antenna farm and sewage pumping station.

Build King Construction Ltd. (Contract 3502) is the contractor appointed to undertake Terminal 2 (T2) automated people mover (APM) depot modification works.

Leighton–Chun Wo Joint Venture (Contract 3503) is the contractor appointed to undertake T2 foundation and substructure works.

Gammon Engineering & Construction Company Limited (Contract 3508) is the contractor appointed to undertake T2 expansion works.

Construction works of Contract 3501 and 3502 have been completed. Names of the responsible persons and their contact details of Contracts 3503 and 3508 are set out in **Table 1** below.

2.7 Automated People Mover Works Contracts

CRRC Puzhen Bombardier Transportation Systems Ltd. and CRRC Nanjing Puzhen Co., Ltd. (PBTS – CRRC PZ) consortium (Contract 3601) is the contractor appointed to undertake works for the new Automated People Mover (APM) system (TRC Line).

Niigata Transys Company Ltd. (Contract 3602) is the contractor appointed to undertake the existing APM system modification works.

Names of the responsible persons and their contact details are set out in **Table 1** below.

2.8 Baggage Handling System Works Contract

Vanderlande Industries Hong Kong Limited and Shun Hing Systems Integration Company Limited (Contract 3603) is the contractor appointed to undertake the construction works of baggage handling system (BHS).

Names of the responsible persons and their contact details are set out in **Table 1** below.

2.9 Construction Support (Facilities)

China State Construction Engineering (Hong Kong) Ltd. (Contract 3721) is the contractor appointed to undertake the construction of the infrastructure works and building facilities on the new reclamation area.

Tapbo Construction Company Limited and Konwo Modular House Limited Joint Venture (Contract 3722) is the contractor appointed to undertake the design and construction of support facilities in western support area.

Tapbo Construction Company Limited and Konwo Modular House Limited Joint Venture (Contract 3723) is the contractor appointed to undertake the design and construction of support facilities in eastern support area.

Shun Yuen Construction Company Limited (Contract 3728) is the contractor appointed to undertake the minor site works within the Airside and Landside areas of the existing airport island.

Names of the responsible persons and their contact details are set out in **Table 1** below.

2.10 Airport Support Infrastructure

China State Construction Engineering (Hong Kong) Ltd. (Contract 3801) is the contractor appointed to undertake the construction works of APM and BHS tunnels on existing airport island.

Gammon Engineering & Construction Company Limited (Contract 3802) is the contractor appointed to undertake the construction works of APM and BHS tunnels and related works mainly on reclaimed land area.

Names of the responsible persons and their contact details are set out in **Table 1** below.

2.11 Construction Support (Services/ Licenses)

K. Wah Concrete Company Limited (Contract 3901A) and Gammon Construction Limited (Contract 3901B) are the licensees appointed to establish, operate, and maintain concrete batching facilities at the Project site.

Names of the responsible persons and their contact details are set out in **Table 1** below.
